

AI BOOTCAMP 2026 – नवाध्याय

Organized by: CSIT Nepal

Co-Hosted by: Interact club of St. Xavier's School Godavari

Event Number: 1

Venue: Himalaya College of Engineering

Date: 13-14 July 2026

Introduction:

AI Bootcamp 2026 was held to acquaint students with Artificial Intelligence, applications, and future prospects. AI Bootcamp 2026 gave the participants practical knowledge about AI and future technologies.

Activities:

- Introduction to Artificial Intelligence
- Demonstration of AI tools and applications
- Interactive learning sessions
- Question and Answer session

Objective:

- To introduce students to the fundamentals of Artificial Intelligence and emerging technologies.
- To increase awareness of the real-world applications of AI in education, business, and everyday life.
- To provide participants with hands-on exposure to AI tools and platforms.
- To encourage innovation, creativity, and problem-solving through technology.
- To inspire students to explore future academic and career opportunities in technology-related fields.

Outcome:

The bootcamp successfully increased awareness and understanding of AI among participants. Students actively engaged in the sessions and gained valuable knowledge about modern technological developments.

Conclusion:

The AI Bootcamp 2026 was a successful educational initiative that encouraged students to explore Artificial Intelligence and its potential impact on the future.
