

Little Hearts Matter

Project Number: 01

Date: 26th July, 2026

Platform: Physical

Area of Focus: Maternal and Child Health

Specified Committee: Community Service

About 'Little Hearts Matter'

Introduction

The Interact Club of Little Angels' School successfully organized "Little Hearts Matter" on 26th July 2026 at Anmol Child Development Home as part of its Monthly Theme: Maternal and Child Health. The event aimed to bring joy to the children through creative, educational, and interactive activities while promoting health, hygiene, and emotional well-being. It also encouraged Interactors to strengthen their values of compassion, empathy, and community service.

Project Summary

The event was organized with the active participation of members of the Interact Club of Little Angels' School. Volunteers painted colorful murals and child-friendly artwork on the walls of Anmol Child Development Home, creating a brighter and more welcoming environment for the children.

An interactive awareness session on Maternal and Child Health was conducted, where members discussed personal hygiene, healthy habits, and overall well-being in a simple and engaging manner.

The club also organized games, interactive activities, and a drawing competition, giving the children an opportunity to learn, have fun, and express their creativity. Gifts and prizes were distributed to the participants, along with chocolates, fruit drinks, stationery items, sanitary pads, and other essential items.

Overall, "Little Hearts Matter" was a successful community service initiative that promoted creativity, awareness, and kindness while bringing smiles to the children and strengthening the Interactors' commitment to serving the community.
