Area of Focus: Establishment of a Peaceful Bonding

About: Letterhead Exchange with IC of Aarong Comilla

Introduction:-

Through mutual communication, both clubs agreed to exchange official letterheads as a symbol of friendship and to establish a lasting fellowship. To commemorate this collaboration, the presidents of the respective clubs, acting as representatives of their organisations, each composed a letter conveying their appreciation and commitment to future cooperation.

Once the letters were finalised, they were converted into PDF format and exchanged via email. The original signed letters were officially dispatched by post, marking the formal completion of the letterhead exchange.

Project Summary: For the establishment of relationship between the two clubs, IC of Medha and IC of Aarong Comilla, letterheads were exchanged and officially posted which marked the beginning of the fellowship. A huge appreciation goes to Aarong Comilla for providing this chance to share a peaceful bonding.
