the new team, making the occasion even more meaningful. The celebration was short yet memorable. As the new Rotary year began, we also celebrated the birthdays of our current President, Itr. Bimala Dulal, and vice-president Itr. Anuja Ojha. To mark this special occasion, a cake cutting ceremony was held, bringing the celebration to a sweet, joyful and heartwarming conclusion.

Beyond celebrating another year of service, charter day provides an opportunity for all the members to reflect on the club's journey, achievements, history, and learn from the past experiences. This celebration inspires members to strengthen the club, carry forward its legacy, and build upon the foundation build by our past members. It honors every single members who contributed to lead the club to where it is standing today.
