Introduction:

The Basketball Competition was the first event hosted by our club at Shikshantar School. The event aimed to encourage students to actively participate in sports, develop teamwork, and promote sportsmanship among students. The competition was organized for both boys and girls from Grades 7, 8, 9, and 10. It provided a platform for students to showcase their basketball skills while fostering a spirit of healthy competition and unity.

Project Summary:

The Basketball Competition was successfully conducted at the basketball court of Shikshantar School with enthusiastic participation from students. A total of six boys' teams and four girls' teams competed in the tournament. The matches were conducted in a fair and organized manner under the supervision of teachers. Since there was no participation fee, the event allowed students from different grades to participate freely and enjoy the experience. The competition created an energetic environment where students demonstrated teamwork, dedication, and discipline. The winners of the tournament will be awarded medals in recognition of their achievements.
