School, Interact Club of Albert School, Interact Club of Newroad City Kathmandu, & Leo Club of Kathmandu Dharahara Height

Area of focus: Maternal and Child Health

About 'पितृत्व'

Introduction:

The name 'पितृत्व' symbolizes the fatherhood. Fatherhood includes the responsibilities, care, guidance, and support a father provides. The event पितृत्व highlighted the vital role fathers play in building a caring and supportive family environment that promotes a child's healthy growth and development.

Event summary:

The event पितृत्व included presentations on how role of fathers role can effect a child's growth and development, the importance of their support during pregnancy and child care, and ways fathers and children can build a healthy, respectful, and friendly relationship. Participants also shared different ideas, experiences, and perspectives on fatherhood and family bonding. The session concluded on the lesson that a father is more than just a provider, he is a source of love, guidance, care, and emotional support for the family.

The session encouraged participants to understand that maternal and child health is not only the responsibility of mothers but also of fathers and the entire family. It highlighted how active involvement and support from family members can contribute to better health, stronger family relationships, and a positive environment for children to grow and thrive.
