About 'Shree Chunadevi Plantation Drive'

Introduction:

With the objective of promoting environmental conservation and encouraging students to take responsibility for maintaining a greener campus, the Interact Club of Shree Chunadevi Secondary School, in collaboration with the Eco Club of Shree Chunadevi Secondary School, organized a Plantation and Plant Maintenance Program.

Event Summary:

The Plantation and Plant Maintenance Program was successfully organized by the Interact Club of Shree Chunadevi Secondary School in collaboration with the Eco Club of Shree Chunadevi Secondary School. The primary objective of the program was to promote environmental awareness, encourage sustainable practices, and foster a sense of responsibility among students toward protecting and preserving nature.

During the program, members actively maintained the existing plants by watering, cleaning the surrounding areas, and ensuring their proper care. In addition, new plants and flowering plants were planted within the school premises to enhance the greenery and beauty of the campus. The event was carried out with the enthusiastic participation of students and the continuous guidance and support of the teachers.
