About:- Maternal and Child Health

Introduction:-

The "Maternal and Child Health" program was hosted by the Interact Club of Kashi Noble Academy with the aim of raising awareness about the importance of maternal and child health. Proper care and support during pregnancy and after childbirth are essential for the well-being of both mothers and children. The program focused on educating club members about the problems that may arise when pregnant women do not receive proper care, as well as the causes, preventive measures, and possible solutions to such problems.
