Name	Designation	Club
Rtr. Dilip Prajapati	President	Rotary Club of Madhyapur

Area of focus:

- 1) To officially welcome and install the new members of the Interact club
- 2) To provide a proper farewell to the outgoing members and acknowledge their contribution to the club.

- 3) To ensure a smooth transition of responsibilities from the previous team to the newly appointed team.
- 4) To celebrate the achievements of the previous team and inspire the new team to continue and build upon their work.
- 5) To encourage responsibility among the new members.

About 'Installation'

Introduction:

The Interact Club of Seabird successfully organized its Installation Ceremony to mark the beginning of a new term for the club and the transition of responsibilities from the outgoing team to the newly appointed members. The ceremony served as a meaningful occasion to bid farewell to the outgoing members while officially welcoming and installing the new members and office bearers.

Project Summary:

The Installation Ceremony of the Interact Club of Seabird was successfully organized from 3:30 PM to 7:00 PM to formally conclude the tenure of the outgoing board and welcome the newly appointed board and general members of the club. The program was attended by approximately 13 past board members, including the Immediate Past President (IPP), along with 16 present board and general members.

The program began with a welcome dance performance, followed by the formal proceedings conducted by the Masters of Ceremony (MCs).

The MCs welcomed and invited the dignitaries onto the dais and formally introduced the newly appointed President, Itr. Pratikshya Shrestha. The ceremony included the official handover of the presidential collar, gong, and gavel, symbolizing the transfer of leadership and responsibilities to the incoming president. The Charter Certificate was also presented by the Rotary President, further marking the official transition of the club leadership.

Feedback:

- 1) “The installation ceremony was a meaningful platform to appreciate the outgoing board and formally welcome the new members.”-Interactor
- 2) “The Installation Ceremony was well organized and managed efficiently making the event engaging and memorable”-Rotaractor
