Introduction

The Series of Esports – Free Fire Tournament was held on 31 July 2026 and was organized by the Interact Club of Narayangarh in collaboration with the Interact Club of Central Butwal. The event aimed to promote teamwork, strategic thinking, healthy competition, and fellowship among Interactors through esports.

Program Summary:

The program commenced at 7:00 AM with the active participation of club members and volunteers. During the initiative, members distributed drinking water to visitors, collected waste from different areas of the park, and installed dustbins to encourage proper waste disposal and maintain a cleaner environment.
