Introduction:

The "Wall of Gratitude: Honoring our Teachers" was organized to celebrate *Guru Purnima* and show appreciation for the dedication and hard work of our teachers. This event provided a dedicated space for students to express their sincere gratitude, respect, and heartfelt messages to the teachers who guide and inspire them daily. The primary objective of this project was to foster positive student-teacher relationship.

Summary:

The event centered around setting up an interactive "Wall Gratitude Wall" within the school compound, adorned with colorful sticky notes, banners, and artistic elements. Students throughout the day wrote personalized thank-you notes, heartfelt messages, and memorable experiences dedicated to their teachers, posting them onto the wall. The wall quickly transformed into a vibrant collage of appreciation, drawing the attention of both students and faculty members.

Teachers were visibly touched as they gathered to read the messages left by their students, creating an atmosphere full of warmth and joy. The initiative successfully highlighted the importance of recognizing educators' contributions to literacy and personal growth, leaving a lasting, positive impact across the entire school.
