

Maternal Health and Child Care

Project Number: 02

Date: 2026 / 07 / 26

Location: Conference Hall of Shivagadhi English Boarding School, Chandrauta, Kapilvastu

Collaborated with: None

Specified Committee: Community Service

Sponsoring Organization: Rotary Club of Kapilvastu

Area of Focus: Maternal and Child Health

About 'Maternal Health and Child Care':

Introduction

The Interact Club of Shivagadhi English Boarding School organized a door-to-door community awareness and interaction campaign on Maternal Health and Child Care. The main objective of this initiative was to directly connect with pregnant women and mothers who recently delivered, provide essential guidance on pre-natal and post-natal care, and gather insights into the real-life challenges faced during pregnancy.

Project Summary:

On July 26, 2026, members of the Interact Club visited 7 households in the local community to engage with expecting mothers and new mothers.

During the visit, Interactors offered essential advice on maternal health and child care, emphasizing regular check-ups, safe nutrition, hygiene, and proper post-natal care for newborns. Photos and short videos were recorded across the 7 households (with the families' consent) for documentation and future awareness campaigns.
