Roadmap to Cybersecurity

Introduction:

Project NetSafe – Roadmap to Cybersecurity was organized by the Interact Club of Butwal in collaboration with Hub I.T., with the support of its Interact Partner, Interact Club of Horizon GBS. The program aimed to educate young people about cybersecurity, responsible digital citizenship, and safe internet practices. As technology continues to play a significant role in everyday life, the session was designed to help participants recognize online threats and develop practical skills to protect themselves in the digital world.

Program Summary:

The program began with a welcome and an introduction to Project NetSafe. Resource persons from Hub I.T. delivered an interactive session on cybersecurity, covering online safety, phishing, password security, and digital privacy. Participants actively engaged in the session and gained practical knowledge to stay safe online. The event concluded successfully with a vote of thanks to all collaborators and participants.

Feedbacks of Attendees:

- Itr. Nilesh Pandey ,President:

"Project NetSafe was a meaningful initiative that equipped participants with essential cybersecurity knowledge. I sincerely thank Hub I.T., our Interact Partner, and everyone who contributed to making this program a success."

- Ujwal Basnet ,Resources Person:

"This program was timely and impactful. It is encouraging to see young leaders taking the initiative to promote digital safety and responsible technology use in the community."
