About “Teachers day celebration “

Introduction:

The Interact Club and Eco Club of Pamir International Academy jointly organized a Teachers’ Day Celebration on 29 July 2026 at the Pamir International Academy Auditorium Hall. The program was organized to express gratitude and appreciation towards teachers for their dedication, guidance and valuable contribution to students’ education and development. The celebration also provided an opportunity for students to strengthen their bond with their teachers.

Project summary:

The Teachers' Day Celebration was conducted with the active participation of students, teachers and members of both clubs. The program included a warm welcome and various activities prepared by the students to make the occasion special for their teachers. Students expressed their respect and gratitude through speeches, performances and other appreciation activities.

The event created a joyful and respectful atmosphere in the auditorium. It encouraged students to recognize the important role teachers play in shaping their knowledge, character and future. The joint effort of the Interact Club and Eco Club made the program successful and memorable for everyone involved.
