About : Aahar

Introduction : The Interact Club of Central Lumbini, continuing its commitment to meaningful community service, successfully conducted Project “Aahar” at Siddhartha Bal Griha . This initiative was organized to help the children in need at Siddhartha Bal Griha, a local orphanage within our community.

Summary : As part of Project “Aahar,” we extended our support by providing essential food items including rice, pulses, vegetables, and other necessities. We also donated carrom boards, pen refills, and other useful items to encourage recreation, learning, and creativity. The interaction with the children and the act of giving not only brought smiles to their faces but also strengthened our sense of responsibility towards society. This project was a beautiful reminder that true service is not only about giving it is about sharing happiness, creating memories, and making a positive difference in someone's life.

Through “Aahar,” we aim to continue such efforts in the future, ensuring that no one in our community feels forgotten or unsupported.
