Project Title: Together for Rasuwa: Fundraising Drive for Flood Relief

Project Number: 7

Date: 2nd September 2026

Introduction

The Interact Club of Skyrider organized “Together for Rasuwa”, a fundraising drive to support the people affected by the recent floods in Rasuwa. The floods caused serious losses for many families, including their homes and belongings, and left them in need of support. With the aim of helping the affected people during this difficult time, the club collected donations from the students and encouraged everyone to contribute whatever they could. The project was mainly focused on showing care, kindness, and support towards the flood victims.

Summary

The fundraising campaign was conducted among the Grade 11–12 and other classes of the school. We collected Rs.2,62,106. Students actively participated by contributing money for the relief of the flood-affected people of Rasuwa. The Interact Club coordinated the collection and encouraged students to take part in the campaign.

Although the contributions were made by different students in different amounts, every contribution was valued and added to the overall relief effort. The project also helped students understand the importance of helping others and standing together as a community during collection.

Conclusion

The “Together for Rasuwa” project was a meaningful initiative by the Interact Club of Skyrider to support the victims of the Rasuwa floods. The participation and contributions of the students showed their kindness and concern for people going through a difficult situation. The project was successful in spreading the message that even a small effort can make a difference when everyone comes together. Overall, it was a simple but valuable step towards supporting the affected families.

Feedback

The students were happy to be a part of the fundraising campaign and appreciated the opportunity to help the flood-affected people. Many felt satisfied and comforted knowing that their small contributions could be useful to families in need. The activity also gave students a positive feeling and encouraged them to be more caring and supportive towards others.
