Venue: Saura Chowk

Introduction

The Interact Club of Skyrider, Interact Club of New Capital College, and Rotary Club of Ratnanagar jointly organized a Deep Prajwalan Program on September 7, 2026, at Saura Chowk to show solidarity and support for the people affected by the recent floods in Rasuwa. The program was organized to raise awareness about the difficulties faced by flood-affected families and to encourage the community to come together in support of relief and recovery efforts. Through this collaborative initiative, the participating clubs aimed to promote compassion, community responsibility, and collective action during a difficult situation.

Summary

The Deep Prajwalan Program brought together members of the three organizations and community members with the shared purpose of standing in solidarity with the victims of the Rasuwa floods. The program provided an opportunity for participants to express their concern and support for families who have been affected by the disaster and are facing difficulties in their daily lives. The collaboration between the Interact Clubs and Rotary Club demonstrated the importance of working together during times of crisis. The program also helped spread awareness about the situation in Rasuwa and encouraged individuals to contribute to relief and recovery efforts according to their capacity. The lighting of the lamps symbolized hope, unity, remembrance, and collective support for those affected by the disaster. The event successfully created a sense of togetherness among the participants and emphasized that even a small community initiative can help inspire greater awareness and humanitarian action. It also strengthened cooperation between the participating clubs and encouraged young people to become more actively involved in community service and disaster-support activities.

Conclusion

The Deep Prajwalan Program was a meaningful initiative that reflected the spirit of community service, empathy, and unity. The joint participation of the Interact Club of Skyrider, Interact Club of New Capital College, and Rotary Club of Ratnanagar demonstrated how collaborative efforts can create awareness and encourage support for communities affected by natural disasters. The program successfully conveyed a message of hope and solidarity to the people affected by the Rasuwa floods. It also encouraged participants to recognize their responsibility towards society and motivated them to support humanitarian and community-based initiatives in the future.

Feedback of Attendees

The attendees appreciated the program and considered it a meaningful way to express solidarity with the flood-affected people of Rasuwa. Participants found the collaborative approach of the three organizations encouraging and believed that such programs help create awareness, strengthen community bonds, and inspire people to take part in relief and social-service activities. Many attendees also expressed their willingness to support similar humanitarian initiatives in the future.
