About “Plantation Program”

Introduction:

“Plant Today, Sustain Tomorrow”

The Plantation Program was an environment-focused initiative aimed at promoting environmental conservation and encouraging young people to take responsibility for protecting the nature. The program was conducted through the collaboration of the Rotary Club of Dhangadhi, Rotaract Club of Dhangadhi, Rotaract Club of Dhangadhi Next-Gen, and Interact Club of Glee Academy, with Interact Club of Galaxy participating as a collaborating club.

Project Summary:

On 12th September, 2026, the Plantation Program was conducted at Martyr Dasharath Chand University of Health Science. The program focused on plantation as a practical effort toward environmental conservation. During the program, participants took part in plantation activities at the designated area, contributing to the creation and preservation of a greener environment. The activity provided an opportunity for the participating members to work together through community service and contribute towards environmental sustainability.
