About “Candle Lighting”

Introduction:

The Interact Club of Tulsipur City organized a Candle Lighting Program on the occasion of Constitution Day of Nepal. The event was organized with the objective of showing respect towards the Constitution, our nation, and the values of democracy, unity, peace, and national responsibility.

The program provided an opportunity for club members to come together and express their respect and commitment towards the nation through a symbolic candle-lighting ceremony.

Project Summary:

The Constitution Day Candle Lighting Program was successfully organized by the Interact Club of Tulsipur City in collaboration with the Interact Club of Lumbini Smart School. The event was conducted to commemorate Constitution Day and to express respect towards the Constitution, our nation, and the values of unity, peace, democracy, and civic responsibility. The candle-lighting ceremony served as a meaningful symbol of hope, harmony, patriotism, and our shared responsibility towards the nation.

The program went smoothly and peacefully, with active participation and cooperation from members of both Interact Clubs. The collaborative effort created a positive and respectful environment, allowing the participants to come together beyond their individual clubs and share a common sense of national pride and responsibility.

The discipline, coordination, and enthusiasm shown by the members contributed greatly to the successful completion of the event. Overall, the program was a meaningful and memorable initiative that strengthened the bond between the two Interact Clubs while encouraging young people to value their Constitution, country, and responsibilities as citizens. The event also highlighted the importance of teamwork, collaboration, and youth participation in activities that contribute positively to society and the community.
