- Interact Club of GBS Newroad
- Interact Club of Pokhara Lakeside

Area Focused On: Peacebuilding and Conflict Prevention

About: Gen Z Martyrs' Day

Introduction

Candlelight program was a meaningful initiative organized on 8th september to honour and remember the Gen Z martyrs and the sacrifices they made. The program was conducted at Shahid Park, Lakeside, in collaboration with the schools and Interact Clubs of Zone 3.

The program was organized not only as an occasion for remembrance but also as an opportunity for young people to reflect on the importance of peace, unity, justice, and responsible citizenship. Remembering the martyrs allows the younger generation to understand that the rights, opportunities, and freedoms enjoyed today are often connected with the struggles and sacrifices of those who came before us. Their stories serve as a reminder that meaningful change often requires courage, perseverance, and a willingness to stand for what is right.

The participation of schools from Zone 3 made the initiative particularly significant. Students from different institutions came together at one venue with a shared purpose, setting aside differences between individual clubs and schools. This collective participation strengthened fellowship and created a sense of unity among young people. It also demonstrated that when youth come together for a meaningful cause, their presence itself can become a powerful expression of solidarity.

Event Summary

Gen Z Martyrs' Day program was conducted on 8th September at Shaheed Park, Lakeside, in collaboration with the schools and Interact Clubs of Zone 3. Participants gathered in the late afternoon, with the program scheduled to begin at around 5:00 p.m. and commencing at approximately 5:30 p.m. The gathering brought together students from different schools, creating a respectful and meaningful atmosphere for remembrance.

The program provided participants with an opportunity to pay tribute to the Gen Z martyrs and reflect upon the significance of their sacrifices. Being present at Shaheed Park added a deeper sense of meaning to the occasion, as the venue itself represents remembrance and respect for those who made sacrifices for the nation. The gathering encouraged students to pause from their regular activities and reflect on the values of courage, responsibility, unity, and peace.

The collaboration among the schools and Interact Clubs of Zone 3 was one of the significant aspects of the program. Students from different institutions worked together towards a common purpose, strengthening fellowship and cooperation among the participating clubs. The initiative showed that meaningful programs become more impactful when people come together with a shared vision. It also provided students with an opportunity to build connections beyond their own schools and contribute as part of a larger youth community.

The event further emphasized the importance of peacebuilding and conflict prevention. Through remembrance and reflection, participants were encouraged to understand the value of peaceful coexistence and responsible action. The program highlighted that the sacrifices of the past should inspire the present generation to build a future based on dialogue, respect, understanding, and unity rather than division and conflict.
