Introduction

A poetry competition organized by Rotaract Club of Pokhara, with the objective of providing young students with a meaningful platform to express their thoughts, emotions, creativity, and literary abilities through poetry. The competition was based on the theme “बाबा” allowing participants to explore the special bond between a father and child and express their feelings and perspectives through their own words.

The program was organized on the occasion of Father’s Day and Moti Ram Jayanti, creating a meaningful connection between the emotional significance of Father’s Day and the literary importance of Moti Ram Jayanti. Since Moti Ram was known for his contribution to Nepali poetry and literature, connecting the occasion with a poetry competition made the program even more relevant and purposeful. At the same time, the theme “बाबा” gave participants an opportunity to express appreciation, love, memories, and respect for fathers through creative expression.

Event Summary

The finale of the Poetry Competition by Rotaract club of Pokhara was held at Balodaya Secondary School, bringing together 12 finalists from different schools. The finalists presented their original poems based on the theme "बाबा" expressing their thoughts, emotions, memories, and perspectives on fatherhood through poetry.

Each participant presented their poem in their own unique style, making the finale engaging and meaningful. The competition provided the finalists with an opportunity to showcase their creativity while also developing their confidence, public speaking, presentation, and literary skills. The different interpretations of the theme demonstrated how one simple word "बाबा" can carry different emotions and meanings for different people.

The collaboration with the Rotaract Club of Pokhara also strengthened the spirit of fellowship and youth participation. Students from different schools came together in one platform, allowing them to interact, appreciate one another's talents, and celebrate the beauty of poetry and creative expression. The connection between Father's Day and Moti Ram Jayanti gave the program a special character. While Father's Day provided the emotional connection through the theme "बाबा" Moti Ram Jayanti added a literary dimension to the occasion, making poetry an appropriate medium for bringing the two together.

Overall, the program was a meaningful and memorable literary initiative that combined creativity, poetry, fellowship, confidence, and emotional expression. It successfully provided young participants with a platform to express their feelings while celebrating the importance of fathers and the value of literature.
