- 2.Rtr. Sajal Subedi- Past President of Rotaract Club of Biratnagar

Area of Focus:

Leadership & Club Development

About "Club Assembly"

Introduction:

The Club Assembly of the Interact Club of Arniko College was organized to review the club's plans, strengthen internal coordination, and prepare for the successful execution of activities during Rotary Year 2026–2027. The assembly brought together the Board of Directors, club members, and invited guests to discuss important administrative matters, strategic planning, and upcoming club initiatives. The meeting served as a valuable platform for collaboration, constructive discussion, and decision-making, ensuring that all members shared a common vision and direction for the tenure ahead.

Project Summary:

The assembly commenced with a warm welcome to all attendees, followed by the introduction of the meeting agenda. Under the agenda of Club Assembly, each member of the Board of Directors presented their respective six-month Plan of Action, outlining the projects, activities, and initiatives planned within their respective portfolios. Constructive feedback and suggestions were shared by the attendees to further strengthen the proposed plans, which were acknowledged for implementation during the upcoming months.

The discussion then proceeded to Club Finance, where the club's financial matters were reviewed and discussed. Members exchanged ideas regarding financial planning, budgeting, and effective management of club resources to ensure the smooth execution of future projects and activities.

Under the agenda of Club Installation, Club Officers Training Seminar (COTS), and Membership Orientation, detailed discussions were held regarding the planning, preparation, and successful organization of these significant club events. Responsibilities were discussed among the Board members to ensure effective coordination and timely execution.

The final agenda focused on Club Amendments, during which the Secretary presented the proposed bylaws for the new tenure. The President then explained and formally ratified the amendments that had been recommended by the Core Team and Advisory Panel. Following an open discussion, all Board members expressed their agreement with the revised bylaws and unanimously accepted them for implementation during the Rotary Year 2026–2027.

The assembly concluded with words of appreciation from the club leadership, encouraging all members to work collaboratively towards achieving the club's goals and ensuring a productive and successful tenure.

Feedbacks of Attendees:

- "The Club Assembly provided a clear roadmap for the upcoming tenure and encouraged every Board member to contribute actively towards the club's success."
- "Presenting the six-month plans allowed members to exchange valuable ideas and strengthen future projects through constructive feedback."
- "The discussions on finance, installation, orientation, and COTS helped establish a strong foundation for the club's upcoming activities."
- "The bylaw amendment session ensured transparency and encouraged collective decision-making among the Board members."
- "The assembly strengthened teamwork, leadership, and communication, leaving members motivated to work together throughout the Rotary year."
