

Flood Relief Drive Project No.5

Date: 5th September, 2026

Location: Rato Bangala School, Patan Dhoka

Specified Committee: Community Service

Area of Focus: Community Support and Welfare

Introduction:

The Flood Relief Donation Drive was a collaborative initiative organized by the Interact Club of Rato Bangala School in partnership with YLP to support families affected by the recent floods in Nepal. The floods caused significant disruption to many communities, with families losing their homes, belongings, and sources of livelihood. Recognizing the need for support during this difficult time, the project aimed to collect essential donations and contribute towards relief efforts for the affected families.

Project Summary:

The Flood Relief Donation Drive was conducted to collect essential supplies for families affected by the floods in Nepal. An awareness poster was shared outlining the items needed, which included rice, lentils, biscuits, sanitary pads, soap, toothbrushes, and toothpaste. Students and members of the school community were encouraged to contribute the requested supplies and drop them off at Rato Bangala School. The collected items were then packed and sent as part of the relief efforts to support families affected by the floods. The drive received active participation from the school community and allowed students to contribute directly towards providing essential supplies to those in need.
