Location : Nisahaya Sewa Sadan, Tinkune

Collaborated with: 1. Leo Club of Kathmandu Dharahara
Height

2. Interact Club of Kathmandu

Specified Committee : Community Service

Area of Focus :Peace and Conflict Prevention

Hosted

About 'Fathers day'

Introduction:

Most people celebrated Fathers day with a father or son. But the people in old age home didnt have a son or daughter to celebrate such a auspicious day. So Interact clubs and Leo collaborated to give the people a heartfelt celebration of Fathers day.

Project Summary:

The Interact Club of Annapurna H.S.S in collaboration with Leo Club of Kathmandu Dharahara Height and Interact club of Kathmandu did a Fathers day event to remember the fathers and mothers left in the old age home with no one to celebrate. Small packets of gifts were made to distribute to the people that included: Hankerchief, Vest(for male), Vicks, Comb, Biscuits and Juice. We made our way to the old age home and went immediately went into the main hall and we gave Dhaka topi to the Fathers and started giving the gift packets to all the people . We also gave small treat as we gave sweets and many different fruits. We also had a chance to talk with the caretakers and the old people as well. The event was a big success and heart touching as well. The participants had fun and had time to take the thought of the old people.
