About Donation For The Flood Victims

Introduction:

On 4 September 2026, the Interact Club of Shikshantar School organized a donation drive to support people affected by floods. The initiative was held at the school and aimed to provide essential supplies to flood victims while encouraging a spirit of compassion, responsibility, and community service among students and staff. The donation drive continued for one week, with students, teachers, and other school staff actively participating by contributing necessary items from their homes.

Project Summary:

The donation drive was conducted at Shikshantar School over a period of one week. Students, teachers, and other staff members contributed a variety of essential items, including food, drinking water, clothes, medicines, and other necessary supplies. Members of the Interact Club coordinated the collection and encouraged the school community to participate in the initiative. The collective effort resulted in the gathering of useful resources intended to support families affected by the floods. The project provided an opportunity for the school community to come together and contribute towards relief efforts while promoting empathy, generosity, and social responsibility.
