About 'Candle Lighting Program'

Introduction:

The Interact Club of Shree Chunadevi Secondary School successfully conducted a Candle Lighting Program organized in memory of those who lost their lives in the recent flood of Rasuwa and Nuwakot and those who suffered injuries and losses due to the disaster. The program was conducted with the message “Nepal Will Rise Again”, expressing sympathy, solidarity, and hope for the affected people.

Event Summary:

The program was conducted at two different locations. On 5 September 2026, the program was held at the Rotary Hall of Thapathali, where Interactors from Kathmandu and Lalitpur joined together for the candle-lighting ceremony. Similarly, on 8 September 2026, the program was conducted at Bhaktapur Durbar Square, where Interactors from Bhaktapur participated.

During the program, candles were lit in memory of those who lost their lives and in support of those who suffered injuries and losses because of the flood and related accidents. The participants expressed their sympathy to the affected people and conveyed the message “Nepal Will Rise Again.” The event successfully promoted unity, empathy, peace, and hope among the participants.
