Area of focus- Paying respect,

About- Paying respect to the disaster and
Gen Z martyrs

A candle-lighting ceremony was organized by Interact club of Oxford to pay our deepest respect and tribute to the people who lost their lives in the recent disaster in the flood and to remember the Gen Z martyrs who sacrificed their lives.

Everyone gathered together for a moment of silence and remembrance. Candles were lit as a symbol of peace, hope, and respect for those who lost their lives. The ceremony provided everyone with an opportunity to express their condolences and stand in solidarity with the affected families.

The event ended with a prayer for the departed souls and a hope for peace, strength, and safety for everyone affected by the tragedy. It was a meaningful and emotional gathering that reminded us of the value of life, unity, and compassion.
