3. Host Clubs and Collaboration

The tournament was organized through the collective efforts of the Interact Club of Central Butwal, with the Interact Club of Horizon GBS and the Rotaract Club of Naxal Shakti involved as host clubs. Their participation, alongside the organizing committee, sponsors, and volunteers, strengthened inter-club collaboration and contributed to the overall success of the event.

4. Challenges and Solutions

The organizing committee faced significant challenges due to three consecutive days of heavy rainfall, which affected event logistics, player accommodation, and movement. To minimize disruption, water-resistant coverings were installed around the pitch. Additionally, as several players sustained injuries during matches, a designated safety team provided first aid and medical assistance.
