The event began with a delightful group performance by the members of the Interact Club of Shree Chunadevi Secondary School, followed by a few nostalgic musical performances and a heartwarming poem by the Rotaract Club of Kathmandu. The Interact Club of Kathmandu then presented Kathak and Kauda performances, adding a traditional and cultural touch to the celebration.

Besides the entertainment, the Rotaract Club of Kathmandu engaged the participants in several interactive activities, including Gau Khane Katha and quizzes, encouraging active participation from everyone. The event

concluded with an exciting Bingo session, filling the hall with laughter, cheers, and moments of surprise. In the end keeping the tradition of dashain alive we received tika along with lots of blessings for our prosperity and wellness from our Rotarian.

Overall, “Dashain Aayo” successfully brought the entire Rotary, Rotaract, and Interact family together to welcome Dashain with laughter, and togetherness. The event provided an opportunity for Interactors to connect with Rotarians and Rotaractors, while allowing members from all three generations to get to familiar with each other better. The event served as a reminder that the Rotary, Rotaract, and Interact clubs are not just separate organizations but one united family. In the event we all came together to celebrate the true spirit of Dashain.
