Introduction:

The "Hari Naam Sankirtan" (हरि नाम संकीर्तन) Bhajan Jamming Session is a youth-led community initiative aimed at bringing people together through spiritual music, devotion, and collective harmony. Organized by the Rotaract Club of Shankaracharya in partnership with ISKCON Birgunj, the Rotary Club of Birgunj, and the Interact Club of Gyanda Academy, this morning event provides a peaceful platform for youth and community members to start their day with positivity, cultural reflection, and soulful melodies.

Project Summary:

Held at ISKCON Birgunj, the event brings together community members, youth, and families for an interactive devotional jamming session. By blending music with spiritual devotion, the project creates an uplifting environment designed to promote mental peace, community bonding, and cultural engagement among attendees early in the morning.
