## About Pedal for Purpose!

### Introduction:

The Interact Club of Orchid School successfully organized the "Pedal for Purpose" cycling marathon on Saturday, October 3, 2026, starting from Chitwan Midtown Resort and concluding at Bishhazari Tal. Designed with the core message "Ride for a Greener Tomorrow," the event brought together cycling enthusiasts to promote environmental awareness and sustainable practices. Participants embraced the scenic route from Chitwan to Bishhazari Tal to ensure every pedal created a meaningful, positive ecological impact. Ultimately, the marathon successfully combined community fitness with environmental advocacy under the Rotary spirit of service.

### Project Summary:

The Interact Club of Orchid School successfully organized the "Pedal for Purpose" cycling marathon on Saturday, October 3, 2026, creating a strong environmental impact in Chitwan. Commencing at Chitwan Midtown Resort and concluding at Bishhazari Tal, the event drew passionate participants riding under the inspiring banner of "Ride for a Greener Tomorrow". Cyclists pedaled through the scenic route to raise ecological awareness, promote sustainable living habits, and highlight the importance of protecting local natural habitats. The community-driven initiative effectively blended physical fitness with environmental stewardship, encouraging individuals to make every pedal count toward a healthier planet. Ultimately, the marathon concluded with great enthusiasm, successfully fostering environmental consciousness and unity among all participants under the shared banner of Rotary service.
