About Mitho Muskan

Introduction:

On October 18, 2026, the Interact Club of Gyanda Academy participated as a Youth Partner in the Mega Prasad Bitran program, organized in collaboration with the Rotaract Club of Shankaracharya. Conducted across three distinct venues—Child Vision Nepal, Aama Ko Maya Chhatrabas (Birgunj), and Birta Mandir—the initiative focused on community outreach, social welfare, and spreading festive goodwill. Supported generously by key Rotary leadership and backed by strong member participation, the event demonstrated a shared commitment to community service, nurturing compassion, and upholding Rotary values across generations.

Project Summary:

The Interact Club of Gyanda Academy joined hands with Rotaract Club of Shankaracharya, to execute the "Mega Prasad Bitran" initiative on October 18, 2026. Designed to extend festive blessings and nutritious food to local community members and residential care facilities, the food distribution drive was conducted across three key locations: Child Vision Nepal, Aama Ko Maya Chhatrabas, and Birta Mandir.

Through active on-ground volunteer involvement and generous leadership support, the project successfully reached numerous beneficiaries, fostering community care, youth volunteerism, and strong inter-generational partnership within the Rotary family.
