Location: Google Meet

Collaboration:
Host Club: Interact Club of Kathmandu
Collaborating Clubs: Interact Club of Creative Academy Kirtipur, Interact Club of Annapurna H.S School, Interact Club of Shikshantar School, Interact Club of Matribhumi Baluwatar

Specified Committee: Community Service

Area of Focus: Disease Prevention and Treatment

Introduction:

'Until Zero' was an educational initiative aimed at informing interactors about polio, its history, and the impact it has on communities. Hosted by the Interact Club of Kathmandu, its primary goal was to raise awareness about polio eradication and highlight Rotary International's contributions to creating a polio-free world.

Summary:

The event started with the national anthem, followed by the Rotary song. The virtual event was formally started with a presentation given by fellow interactors, in which they focused on the history of polio, how it has affected communities worldwide, and the ongoing efforts towards it eradication. This event emphasized the importance of vaccination, public awareness, and collective action. The following session ended with a short myth-busting session, where misconceptions about polio and its impact were cleared with proper reasoning.

Conclusion:

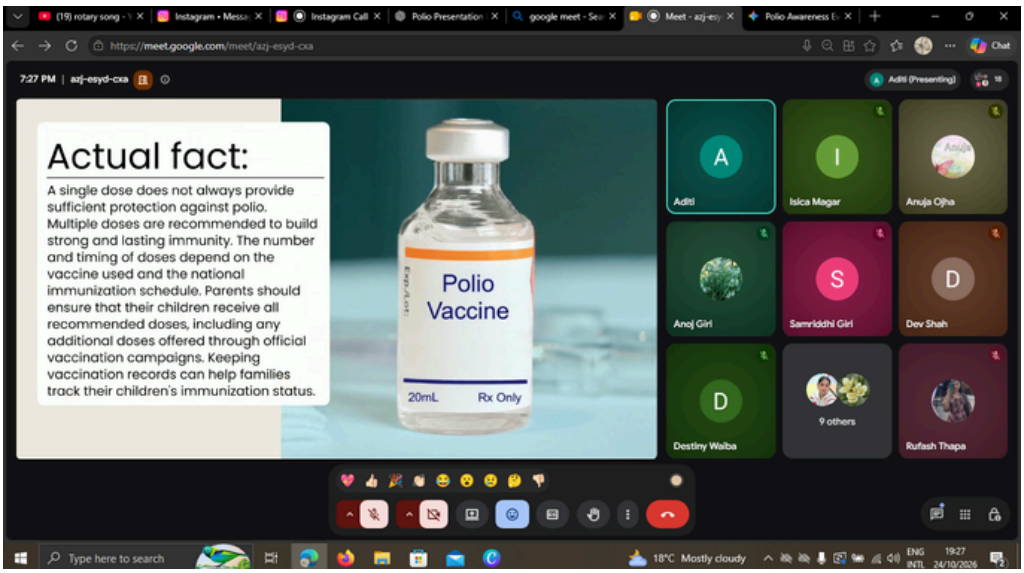

As a significant initiative for Rotary Year 2026/27, the ‘Until Zero’ event successfully encouraged the interactors to become more informed and socially aware about polio, its history, and Rotary International's ongoing dedication to eradicating this disease

.

Feedback:

"This session was highly informative, and it was a valuable learning experience that inspired me to learn more about other similar diseases and their impact on our communities,” stated Itr. Prapti Sharma, a general member of Interact Club of Creative Academy Kirtipur.
