About 'Cultural Exchange'

Introduction:

Borders were meant to be crossed.New bonds were to be made. New things were to be learned so for exchange of valuable information that is our culture. So for a sweet and meaningful session the Interact club of Annapurna Higher Secondary School and Interact club of Ferguson High School collaborated to do an exchange of culture.

Project summary:

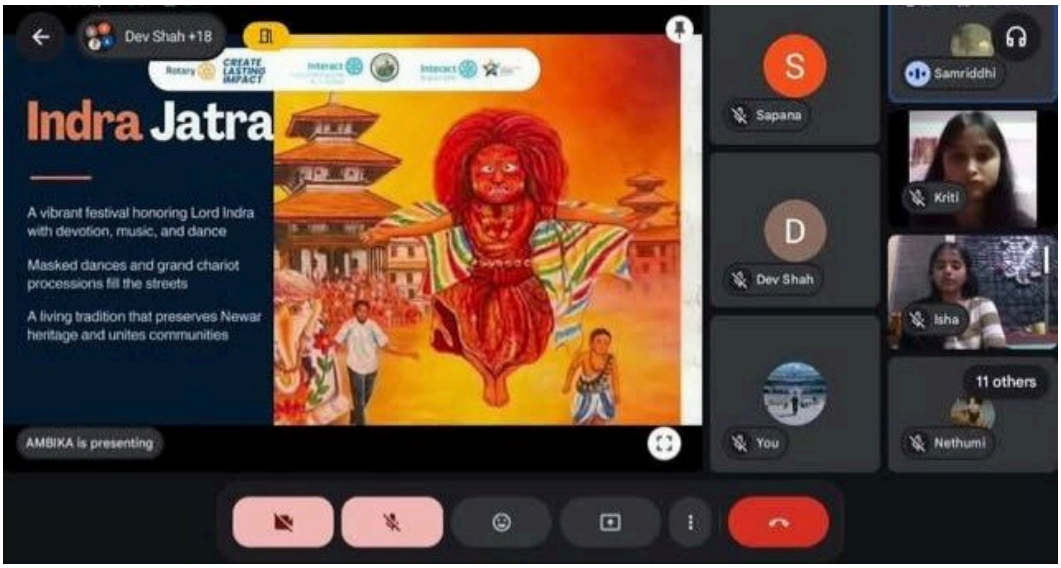

The event started with the hearing of the national anthems of both countries.The first information and presentation was given by Interact club of Annapurna Higher Secondary School. Where information about Indra Jatra, Dashain,and Tihar were given. Explaining about our different nature of the same holiday. Then the Interact club of Ferguson High school started their presentation where they talked about their own respective festivals. The members of each club showed large amount of focus and participation in the event. Both of the club had definitely learned something new and had made new friends and definitely crossed borders to grow. The event was an overall success and definitely a informative session for both clubs.
