About 'Haunted Fiesta 2.0'

Introduction:

On the festive occassion of Halloween a small and memorable fellowship event was done by a few interact clubs. The event was to get interactors from different clubs to make new friends have a memorable time and interact with each other. The event was also to celebrate a festive occassion.

Project summary:

As all the participants gathered and all the decorations were prepared the event formally began and everyone was having fun. The event started first with everyone playing Mafia which was very fun. Participants showed more interest after the first game and as the first game finished the potluck began. All the participants either brought food from home or other snacks and everyone came together to eat together and have fun. After that participants talked to each other had a fun time talking with each other. Then another game was played which was truth or dare and it was very engaging to each participants. By the end of the event every participant made new friends had a lot of fun and got to be different people via costumes and more. Overall the event was joyful, fun and interactive taking inspirations of Halloween. The participants had a lot of fun during the event and showed al ot of enthusiasm.
