About “पाईला-धुन”

Introduction:
On the occasion of Krishna Janmashtami, the Interact Club of Everest conducted the event “धुन” at Shree Krishna Mandir, prioritizing our cultural devotion, educating the youths about our culture and serving the community.

Summary:
From early moments of the day, members became a part of the mandir by offering tika to devotees and distributing prasad. The members were actively engaged in activities such as managing lines and the fund box, organizing footwear,etc. The temple’s committee along with our members gathered to perform ‘Krishna Bhajan’ inside the temple’s premises which was a exciting experience. Additionally, spending time with elders played a huge role in us understanding the meaning behind our cultural practices. The youths had a huge contribution in helping keep the surrounding clean and welcoming. Every small act carried a sense of purpose and joy.

Beyond responsibilities, the team shared genuine human connections spending time with children, elders, priests, and devotees, listening to stories, exchanging smiles, and truly feeling the warmth of the community.
