Area of Focus:Member fellowship and fun
Specified Committee: Club Service

About “Haunted Affair”

Introduction:

HAUNTED AFFAIRS 2026 was a Halloween-themed event organized by the Interact Club of Little Angels’ School on 31 October 2026 at Go Basket Nepal. The event brought together 40 members for an evening of fun, entertainment, and celebration, featuring four stalls, spooky games, music, a costume contest, and various engaging activities. It aimed to encourage creativity, strengthen friendships, and create memorable experiences among members.

Project Summary:

HAUNTED AFFAIRS 2026 was a Halloween-themed event organized by the Interact Club of Little Angels’ School on 31 October 2026 at Go Basket Nepal. The main objective of the event was to create an enjoyable platform where members could come together, celebrate Halloween, express their creativity, and build stronger connections beyond regular club meetings and service activities. The event was planned to offer a refreshing experience filled with entertainment, excitement, and opportunities for social interaction.

The event brought together a total of 40 members and featured four different stalls that added variety and excitement to the celebration. Participants got the opportunity to enjoy the Halloween atmosphere through games, music, costumes, and other engaging activities. The stalls provided additional entertainment and created an interactive environment where members could take part in different experiences. The Halloween theme also encouraged participants to express their creativity through costumes and enjoy the festive spirit together. The event was not only about entertainment but also about giving members a chance to interact with one another, make new friendships, and create memories outside their usual academic and club responsibilities.

Although the event was initially scheduled to begin earlier, weather-related inconveniences required a change in the timing, and the celebration was shifted to 1:00 PM to 7:00 PM. Despite this adjustment, the event continued with active participation and a positive atmosphere. The planning and management of the event also provided valuable experience for the organizing team in areas such as coordination, teamwork, communication, and event management. The involvement of members and stall organizers played an important role in making the celebration enjoyable.

Overall, HAUNTED AFFAIRS 2026 was a memorable recreational event that successfully brought members together through fun and shared experiences. It helped strengthen relationships within the club, encouraged creativity and participation, and created a welcoming environment for everyone involved. With 40 participants and four stalls, the event added another enjoyable milestone to the club's journey and reflected the importance of balancing service activities with opportunities for friendship, celebration, and personal connection.
