About 'Unity in Diversity – International Cultural Exchange'

Introduction:

Unity in Diversity – International Cultural Exchange was organized by the Interact Club of Sagarmatha Devdaha in collaboration with the Interact Club of Southwest Academy Jemo, Ethiopia. The project aimed to promote international friendship, cultural understanding, and fellowship among young people. It provided a platform for participants from Nepal and Ethiopia to share their cultures, traditions, and perspectives. The exchange encouraged mutual respect, cross-cultural learning, and stronger international connections.

Project Summary:

The international cultural exchange was conducted on 28 September 2026, bringing together young people from Nepal and Ethiopia. Participants shared their cultural traditions, customs, and perspectives, helping them understand and appreciate each other's backgrounds. The program strengthened international fellowship and encouraged respect for cultural diversity. Through this collaboration, the clubs promoted friendship, unity, and cooperation among young people across borders.
