Specified committee: Community

Guests: 1)IPDG Rtn. Binod Koirala
2) Rotary District Joint Secretary, Rtn. Rajendra Ligal Bastola.

Area of focus: Disease Prevention and Treatment /
End Polio Now Advocacy

About: 'End Polio Now'

Introduction:
To help wipe out polio and spread health awareness on World Polio Day, our club joined the official "End Polio Now" rally. Organized by Rotary International along with all the Rotary and Rotaract clubs of Region 4 and Interact clubs of Zone 3, the event brought together young leaders and Rotarians to stand united for a polio-free world.

Project Summary:
The rally kicked off with a gathering at Sabhagriha Chowk, where everyone came together with colorful banners, shirts and caps Alongside members of the Rotary family from across Region 4 and Zone 3, we marched all the way to Mustang Chowk. Along the route, we advocated with local community members to share why polio vaccination matters so much and to highlight Rotary's ongoing mission to rid the world of polio.

The main goals of the event were:

1. Raise Public Awareness: Educate people along the way from Sabhagriha to Mustang Chowk about the vital importance of getting vaccinated against polio.
2. Strengthen Rotary Family Collaboration: Bring Rotary, Rotaract, and Zone 3 Interact Clubs together to stand shoulder-to-shoulder for a shared global cause.
3. Advocate for Global Eradication: Support Rotary International's big "End Polio Now" mission through hands-on community action.

In Conclusion, the "End Polio Now" awareness rally was a powerful display of unity, public health advocacy, and teamwork. By marching together from Sabhagriha to Mustang Chowk with Rotary, Rotaract, and Interact clubs of Zone 3 , we successfully spread vital health messages to the community and strengthened our commitment to a polio-free world.
