About "Indo-Nepal Cycle Rally"

Introduction:

The Indo-Nepal Cycle Rally was organized by the Rotary Club of Birgunj and the Rotary Club of Birgunj Metropolis on November 1, 2026, to mark World Polio Week and reinforce global polio eradication efforts. Starting at Ghantaghar, Birgunj, and concluding at the Embassy Bungalow in Raxaul, the cross-border event mobilized members of the Interact Club of Gyanda Academy alongside Rotarians and youth leaders. Through this active cycling initiative, participants rode together to raise public health awareness, foster cross-border fellowship, and demonstrate youth dedication toward achieving a polio-free world.

Project Summary:

The program was conducted on November 1, 2026, starting at 6:30 AM from Ghantaghar, Birgunj, and ending at the Embassy Bungalow in Raxaul. Members of the Interact Club of Gyanda Academy assembled at the starting venue alongside Rotarians and fellow youth members to participate in the cross-border advocacy rally.

During the event, participants cycled across the border carrying messages of health literacy, immunization awareness, and Rotary's flagship PolioPlus campaign. Riders engaged with local communities along the route, highlighting the importance of sustained global health initiatives and international cooperation in finishing the fight against polio.

The program successfully sent a message of health advocacy, social responsibility, and cross-border unity. It encouraged young leaders to take an active role in public health campaigns and demonstrated the power of collective youth action in promoting disease prevention. The event concluded in Raxaul with a shared commitment to continue supporting Rotary International until total polio eradication is achieved.
