About “Welcoming new comers and polio awareness:Membership Monday”

Introduction:

As part of Interact Week 2026, celebrated under the initiative of Interact District 3092 Nepal and Bhutan, the first day project, "Membership Monday," was successfully organized on 2nd November 2026 by the Interact Club of Narayani Public School at Narayani Public College. The program was conducted under the avenue of Club Service with the primary objective of welcoming new members and strengthening the membership of the club. It provided a second opportunity for students who had missed the chance to join Interact earlier and wished to become part of the club after understanding its purpose and activities. The program also included a Polio Awareness Session featuring Mr. Anil Neupane, an experienced individual in the field of community service, as the keynote speaker. The initiative aimed to create a welcoming environment for new members while introducing them to the values, responsibilities, and service-oriented activities of Interact.

Summary:

The program started with a warm welcome to all the newly joining members. The Membership Monday program was highlighted by welcoming students who had earlier missed the opportunity to be members of the club, but later expressed their interest to be part of Interact after having known the purpose, activities and opportunities of Interact. Interact District 3292, Nepal & Bhutan, initiated this opportunity for students to become part of the Interact family. In addition, the club organized a Polio Awareness Session to

make the event more meaningful. The session was conducted by the Club Service Director Bimisa Sapkota, with other supporting directors.

Mr. Anil Neupane, Teacher of Narayani Public College, were the keynote speaker for the session and shared valuable information on the history of Rotary's effort in making the world polio free. In an informative and interactive session, members had an opportunity to have a deep knowledge on the positive work done by the family of Rotary to combat Polio, major accomplishments of Rotary International and also major contributions of Rotary. The ideas and opinions shared by speaker were very motivational to attendee students and created will to take positive action and support the cause of world health. It also positively oriented members on different ways to change society for good, as wanted by the family of Rotary. The overall effects of the session were to enable members learn while enjoying and sharing in informal Interaction. With the permission and support of the school, the program was successfully conducted, making the first day of Interact Week memorable and giving the new members a positive beginning to their journey in Interact.

Conclusion

Membership Monday was the beginning of Interact Week 2026, and was used to welcome new members and foster fellowship within the club. This event also offered a second opportunity for students to join the Interact family. The Polio Awareness Session, which was part of the program, helped the members to get knowledge with the involvement of the Rotary Clubs towards Polio ending and other Health problems at the Global level. The inspiring address given by the keynote speaker was appreciated and contributed to the success of the program. The session contributed to promoting a sense of belonging, being one and serving, amongst the program participants, thus providing a great start for the week long celebration of Interact Week.

Feedback

1. Newly Welcomed General Member: The member said she was happy to get a second chance to be part of the Interact Club. She said she was able to understand the purpose, values and activities of Interact club due to the orientation. She thanked Interact family for the warm welcome.
2. Treasurer (Itr. Prashik Bhandari) : He said that the orientation was a great way to begin Interact week and he was thankful for the Polio Awareness session. He shared he was inspired to learn about Rotary's efforts in polio ending and said he with the club look forward to helping.
