Introduction

On 2nd November, Interact Club of Goldengate International College hosted an event based on the first day of Interact Week 'Membership Monday'. INTERACT CONNECT-One Team,One Vision. In celebration of World Interact Week, the Interact Club of Golden Gate International College organized a special virtual knowledge-sharing and engagement session titled "Interact Connect – One Team, One Vision". Centered on the theme "Membership Monday," the program aimed to provide Interactors with actionable insights into club administration, membership growth, participant engagement, leadership structures, and retention strategies.

The event was formally hosted and anchored by Itr. Pratik Gupta, bringing together district committee leaders, zonal representatives, visiting club presidents, and active Interactors. The session focused on reinforcing the power of youth-driven community service, collaboration, and international understanding under Rotary International.

The event commenced with warm Rotaract and Interact greetings extended by the host, Itr. Pratik Gupta. Following official Interact guidelines, the session began with formal protocols paying tribute to the nation through the National Anthem, followed directly by the Rotary Anthem. To honor peace, harmony, and those who inspire service above self, participants observed a 15-second moment of silence

BEYOND THE BLUEPRINTS

The session transitioned into an interactive Q&A floor session where participants discussed strategies to tackle active membership challenges and growth mechanisms. Concluding remarks were delivered by Itr. Subigya Goldi (District Editor of ID 3292) and visiting leaders, followed by a formal vote of thanks expressing gratitude to all attendees, guests, and organizing team members

Project Summary

The session "Interact Connect – One Team, One Vision" was successfully conducted as part of Membership Monday during World Interact Week. The session focused on the importance of building strong Interact clubs through quality membership, active engagement, and shared leadership. Participants discussed how having passionate and dedicated members who believe in the values of service and fellowship matters more than simply increasing numbers. The discussion also highlighted the importance of keeping members involved by creating a welcoming environment where everyone feels respected, valued, and encouraged to contribute. Another key takeaway was the importance of teamwork and sharing responsibilities rather than depending on a single leader to manage everything. The session concluded on a positive note, bringing Interactors from different clubs across District 3292 closer and providing everyone with useful ideas to make their clubs more active, united, and stronger.

Attendees feedback:

Itr. Parul Dulal's feedback:
The session fostered high engagement through active participant involvement and dynamic discussions on key club management strategies. Attendees enthusiastically explored practical solutions for membership growth, team engagement, and leadership retention. Overall, the interactive environment successfully created a collaborative space.

Itr. Anuja Ojha's feedback:
It was truly a wonderful and insightful experience being part of this event organized by the Interact Club of Golden Gate International College. The session was engaging and interactive, and I really appreciate the opportuinity to share my thoughts, answer questions, and learn about different perspectives from everyone. It gave me a better understanding of the importance of membership and the values of Interact. Overall, it was a meaningful experience, and I appreciate the team for organizing such a well managed and engaging event.
