Date: 13th September 2026
Location: Sunrise English Sec. School , Bharatpur-4, Chitwan
Collaborated with: Rotary Club of Chitwan | Student council of Sunrise English school
Specified committee: Community service

Area of focus: Environmental issues

About "Hands of Hope"

Introduction:
The donation program was held at the Sunrise English school. It was a fund raising event. Sunrise English School's student council co-operated in the completion of this event. The students of Sunrise English Sec. School addressed this program and contributed a lot in this donation through different means. The event chair Jeev Lal Chalise provided with a mediator who would provide with the goods and help to the needy one. The theme of program was simply providing a helping hand for the needy people.

Project Summary:
The donation was held in-order to help the community affected by the flash flood in Nepal. The cash and inventory, physical goods, or supplies were donated by the student and staff of sunrise English school and college. The cash was collected as the interactor went to each class for the cash deposition whereas the goods and supplies were deposited at the staff room of each block of school. The help was later on collected. The help is estimated to be available for needy ones as soon as possible.

Feedback

Jeev Lal Chalise: I really appreciate the Interact Club of Sunrise for coming forward to support the victims of the Bhotekoshi flash flood by raising relief funds. Your kindness, teamwork, and willingness to help people in difficult times truly deserve appreciation. As your coordinator, I am proud of you all and hope you will continue such meaningful initiatives in the days ahead
