About 'Aid Hand Over Program'

Introduction
Interact club of sunrise conducted aid distribution program targeting the Chepang community children who were in need. The goods that were raised through the fund-raising event for the flash flood incident was unable to reach the people affected by the flash flood due to the geographical difficulties. Therefore, the goods were provided to the people in need in Chepang community children who were residents temporarily in a hostel located at Saktikhor Kalika nagarpalika. The main theme of the program was community service. The program was successfully completed with the helping hands of the student council and youth red cross of Sunrise English school along with the teachers of the school and colleges.

Summary of the event
The participants gathered in the school and proceeded toward the location. The aid was distributed to the student present in the chepang community. The aid contained some food items along with stationery items. With the help and contribution of the clubs and council and student of the sunrise English school this help had been successfully distributed to the needy one and reached the right people in time.

TOGETHER CREATING TOMORROW

This programme made an impact on the society regarding the help that should be provided to the needy one by people living in community. We also hope that our further programme brings joy and smile in the face of those innocent children just like this program was able to.
