आकार & Art

Project no.: 6
Date: 26th October, 2026
Location: Mato Lab
Specified committee: Club service

About “आकार & Art”

Introduction:
The Interact Club of Everest organized a pottery competition on 26th October with the aim of enhancing creativity, developing the members artistic skills as well as developing fellowship through artwork.

Summary:
The event brought together five artistic participants who showcased their creativity and talent through their amazing pottery creations which also succeeded on replacing screen time with productivity during the vacation. Each participant put in their best effort, making the competition an enjoyable and memorable experience for everyone involved. The winner was awarded full sponsorship for District Sports Meet in recognition of their outstanding creativity. Additionally, the event provided an opportunity for members to connect, share ideas, and strengthen their bonds through art and creativity. Overall, the event was a wonderful success, promoting artistic expression, friendly competition, and fellowship among the members.
