About

Voices of Interact – Sharing Experiences, Inspiring Connections

Introduction:

On 02 November 2026, the Interact Club of SOS Hermann Gmeiner School Bharatpur successfully organized a special experience-sharing session as part of the first day of World Interact Week. The program aimed to provide a platform for members to share their personal experiences, learning journeys, and memorable moments associated with Interact.

The session focused on highlighting how being a part of Interact helps students develop confidence, leadership skills, teamwork, and a sense of responsibility towards the community.

Project Summary:

The program featured a presentation and experience-sharing session by one of the newer members of the Interact Club of SOS Hermann Gmeiner School Bharatpur. Through the session, the speaker shared personal experiences of joining Interact, becoming involved in club activities, and discovering the opportunities that the club provides for personal growth and development.

The speaker highlighted how participating in Interact activities creates opportunities to develop communication skills, build friendships, work collaboratively, and contribute to meaningful initiatives. The session also emphasized that Interact is not merely a club but a platform where young individuals learn, grow, and make a positive difference.

The sharing session encouraged other members, especially newer Interactors, to actively participate in club activities, step outside their comfort zones, and make the most of their journey in Interact.

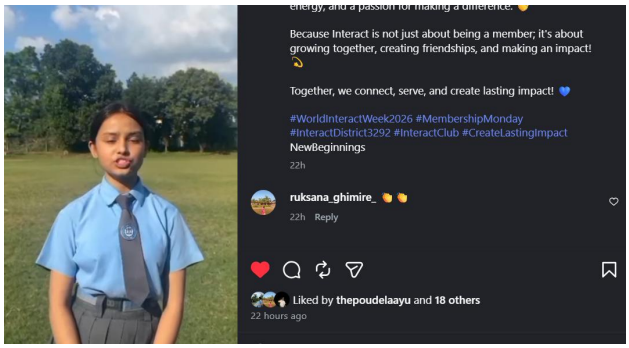

Overall, the program created an engaging and inspiring environment where members could connect through shared experiences and understand the true value of being an Interactor.
