A Peek to the Past

Alongside the session, RTR. Sushant Katwal shared a video highlighting the history of Rotary, Rotaract, and Interact. Drawing from his experience as a former club president and DIR, he helped members gain a broader perspective on the Interact movement and appreciate the legacy behind the organization they represent.

The event provided members with an opportunity to learn about the roots of their club and recognize the importance of carrying its values forward. By exploring the history of these organizations, members were encouraged to take pride in their membership, remain active in club activities, and understand the importance of leadership, teamwork, and service.

A Peek to the Past was a meaningful learning experience that connected members with the history and values of Rotary, Rotaract, and Interact. Through the session by RTR. Anant Karn and the video shared by RTR. Sushant Katwal, members gained a deeper appreciation of their organization's legacy and the importance of continuing its traditions. The event reflected the spirit of History Tuesday and the motto “Service Above Self.”
