TOGETHER CREATING TOMORROW

Interact week Day 1- Membership Monday and quiz with interactor

Project number:8
Date: 2nd November, 2026
Location: google meet
Specified committee: club service
Area of focus: Basic education and literacy

Introduction

Interact club of sunrise started their interact week celebration with the introduction of bod member and general member followed by a small quiz event titled 'quiz with interactor'. The program was an online program that encouraged basic literacy and community awareness. All the interactor were given introduction of interact week by president of interact club of sunrise and all the interactor were very active. The main motive of introducing the BOD members and general member in the first day of interact week was concluded successfully.

Summary

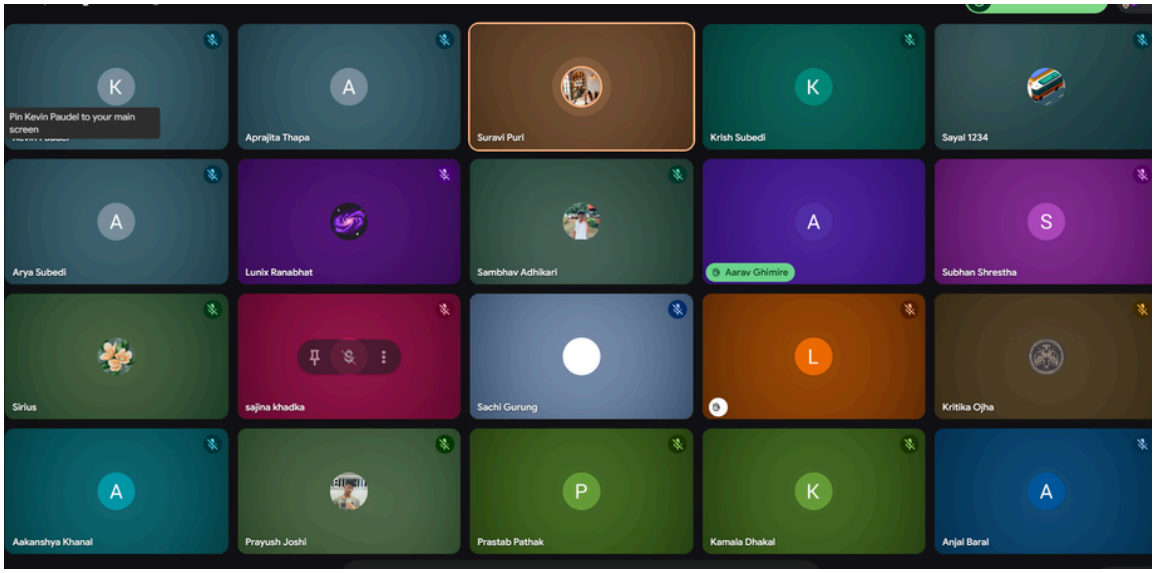

The program started off from 8:15 pm and continued till 8:55pm . The program was conducted in the google meet. Firstly, meeting was called by president as per the procedure. After some further procedure introduction of the BOD member was given by the president and then the open floor was given to interactor to introduce themselves. After brief introduction the quiz question were asked by president. The president formally concluded meeting with the successful program for membership Monday.
