About 'The Legacy in Motion'

Introduction:

Legacy in Motion was an educational event conducted under the theme of Historic Tuesday, with the aim of familiarizing members with the history and journey of Interact. The event featured a presentation that covered the origins of Interact, its establishment, core values, and its growth over the years. It was organized to help members understand the history behind the organization they are a part of, appreciate its legacy, and gain a deeper understanding of the purpose and values that continue to guide Interact.

Project Summary:

Legacy in Motion was organized with the aim of helping members become more familiar with the history, origins, and journey of Interact. The event featured a presentation that introduced members to how Interact was established, its growth over the years, its core values, and the purpose behind the organization. Throughout the presentation, members were encouraged to ask questions whenever they had doubts or wanted to understand a particular topic better. This allowed everyone to clear their confusion, learn new information, and gain a better understanding of the organization they are a part of. The session also provided an opportunity for members to appreciate the legacy of Interact and understand the values and principles that continue to guide its members.
