

## Voices of Harmony

Project Number:14
Date:4, November,2026
Location:Valley public High School,Sundarbasti
Specified committee:Professional Development
Area of Focus:Peacebuilding and Conflict Prevention

About 'Voices of Harmony'

Introduction:

Voices of Harmony was an interactive event organized with the aim of encouraging members to think critically about social issues and understand different perspectives. During the event, members were presented with various real-life social problem scenarios and given the opportunity to share their individual opinions and thoughts. They then worked together in groups to discuss the scenarios, exchange ideas, and come up with different viewpoints. The event aimed to promote open communication, mutual understanding, and respectful discussions while helping members become more aware of the social issues around them.

Project Summary:

Voices of Harmony was organized with the aim of encouraging members to express their opinions on various social issues and understand different perspectives. The event began with members being presented with different social problem scenarios, allowing each individual to think about the situation and share their personal opinions. Following this, members were divided into groups where they discussed the same scenarios, exchanged ideas, and listened to one another's viewpoints. Working together gave everyone an opportunity to understand how people can have different opinions about the same issue and how discussions can help bring out new

ideas and solutions. The activities encouraged members to think critically, communicate openly, and respect opinions that differed from their own.

Conclusion:

Overall, the event provided a platform for meaningful discussions and helped members become more aware of social issues while developing their communication, teamwork, and understanding of different perspectives.
